Classes start on Thursday, September 1, 2011 at 8:00am.

Publications/Articles:
- Sept. 9: Pigford Memorial Lecture
  MIT professor to discuss 'Microreactors in Discovery and Development'
  http://www.udel.edu/udaily/2012/aug/jensen-pigford-lecture-082511.html

- Unleashing learning
  Engineering outreach helps high school students try careers on for size
  http://www.udel.edu/udaily/2012/aug/perry-engineering-outreach-082511.html

Events:
- Most Central Parking Lots CLOSED – Tuesday, August 30 and Wednesday, August 31
  http://www.udel.edu/udaily/2012/aug/moveinparking082911.html

- Student Move-in date and time:
  Tuesday, August 30th – 8:00am – 10:00pm
  Wednesday, August 31st, 2011 – 9:00am – 6:00pm

Dates to Hold:
- Yushan Yan - Named Professor Lecture and Reception
  Wednesday, March 7, 2012
  4:00pm
  Location: TBD

Seminars/Workshops:
- CMET Seminar
  Dr. Rasmus Hoiberg-Nielsen - University of Copenhagen
  Wednesday, August 31, 2011
  10:30 AM in 366 Colburn Lab
  “Using Phospholipid Bilayer “Nanodiscs” as a Platform for Small-Angle Scattering Investigations of Membrane Proteins”

Jobs:
- Tenure-track Faculty Position at Western Michigan University in the Department of Chemical Engineering
  Preferred areas of interest for the position are: biochemical, biomedical, bio systems, coatings, nanostructures, and printed electronics. Other areas will be considered. For more information, please check out the Chemical Engineering job website (http://www.che.udel.edu/opps.html)

- Rolling Process – Lubrication Process Engineer at Alcoa. For more information, please check out the Chemical Engineering job website (http://www.che.udel.edu/opps.html)
