Facilities:

- Periodic interruptions to the Colburn Lab fire alarm system will occur on Thursday, December 13th during network system upgrades.
  Duration: 12/13/2012 8:00 AM to 12/13/2012 4:00 PM

- There will be a network outage in Colburn Lab, 314 Wyoming, and 5 Courtney St. on Thursday, December 13, between 8 am and 4 pm.
  The network outage will involve every individual network connection going out for a period of about 10 to 20 seconds periodically throughout the day. Each connection should only go down once.
  This is a result of a NSS project to upgrade switches in the telecomm rooms.
