CBE In the News:

- UD's Epps invited participant at EU-US Frontiers in Engineering Symposium
- UD's Wagner to receive Thomas Baron Award at AIChE national meeting
- Eric M. Furst accepts the 2013 Soft Matter Lectureship
- Budgeting Review
- Kate Gurnon took 1st prize in the Society of Rheology graduate student poster competition at the 85th Annual Meeting of the Society of Rheology titled "Spatiotemporal structure evolution and metastable states in shear banding wormlike micelles probed using LAOS and small angle neutron scattering".
- Dr. Simon Rogers took second prize in the postdoc poster competition titled: "The sequencing of dynamic rheological measurements."
- Anne Robinson received the WIC Mentorship Excellence Award
- Brian Farrell is now Chief Engineer at Air Products

Departmental Events:

- Official Colburn Club Department Happy Hour
  When: Friday, October 25, 2013, 4:00 pm - 6:00 pm
  Where: In Colburn, 2nd floor lobby
- Thesis Defense
  Jacob McGill
  October 23, 2013 2:00 pm in 240 CLB
  "Control of thin-film surface morphologies via self-assembly processes"

Other Department Seminars/Events:

- Mathematical Sciences Department: Week of October 21st
  See the attachment lists of seminars.
- MEEG Seminar
  Dr. Philip D. Bradford, North Carolina State University
  Friday, October 25, 2013
  12:15 pm in 106 CCM
  "Advanced Materials Based on Carbon Nanotube Textiles"
- MSEG Seminar
  Dr. Gary Wnek, Case Western University
  Wednesday, November 6, 2013
  10:30 am in 322 ISEB
  "Thin Polymer Fibers and Biology: From Regenerative Medicine to Revisiting Nervous Transmission from a Macromolecular Perspective"

Facilities Notifications:

- Upgrade campus wireless network software to fix some outstanding issues. Controllers will be upgraded and rebooted, which will then automatically upgrade and reboot all 2000+ access points. Controller upgrade is expected to take 30-40 minutes, followed by 15-20 minutes for access points to upgrade. The upgrade will begin between 6:00-6:30 AM on Wednesday morning, October 2, 2013.
Jobs/Recruiting:

- The School of Chemical, Biological and Environmental Engineering (CBEE) at Oregon State University seeks to fill a 9.0 month, tenure-track position in chemical process design and engineering, beginning September 16, 2014. See attachment for more details.
- The Department of Chemical Engineering at the Rose-Hulman Institute of Technology is currently seeking applicants for an open-rank faculty position, starting August 2014. See attachment for more details.
- The Department of Chemical and Biomolecular Engineering at Tulane University has three openings - an Endowed Chair position in Energy, a Tenure-Track Faculty position, and a Professor of Practice position.
- The School of Chemical, Biological and Materials Engineering at the University of Oklahoma is accepting applications for an Assistant Professor position to start in August 2014. See attachment for more details.
- The School of Chemical Engineering, Purdue University, invites candidates at the Full Professor rank for the Maxine Spencer Nichols Professorship in Chemical Engineering.
- University of Texas at Austin is seeking outstanding applicants for two tenure track faculty positions at the Assistant Professor level in the McKetta Department of Chemical Engineering.
- The Ira A. Fulton Schools of Engineering at Arizona State University seek applicants for tenure-track/tenured faculty positions in Chemical Engineering.

Available positions can be found on the Chemical & Biomolecular Engineering opportunity website (http://www.che.udel.edu/biz/OppIndex.html), so be sure to check it regularly.
