CBE In the News:

- Dr. Ronald G. Forsythe, Jr. Appointed to Chesapeake Utilities Corporation Board of Directors
- Biomaterials and the future of medicine
- TAPPI Announces 2014 Pulp Manufacture Division Technical Award Winner

Department Events:

- Centennial Weekend Registration
  Registration will close on Wednesday, September 17th
  You must register to attend any of the events
- CMET Seminar
  Dr. Bing Fang, University of Massachusetts Amherst
  Thursday, September 18, 2014
  10:30 am in 366 CLB
  "Manipulating Bacteria with Polymer Brushes Containing Embedded Nanoscale Functionalities"
- CBE Centennial Seminar Series
  James Rekoske, Honeywell’s UOP
  Friday, September 26, 2014
  10:00 am in 102 CBL
  "Materials Morphogenesis"

Other Department Seminars/Events:

- POSE Seminar
  Dr. Fabrice Veron, University of Delaware
  Friday, September 19, 2014
  10:30 am in Robinson Hall, Rm. 206 / Cannon Laboratory, Rm. 202
- MEEG Seminar
  Jeffrey Morris, CCNY
  Friday, September 19, 2014
  12:15 pm in 106 CCM
  "Examining the Influence of Inertia in Suspension Flows"
- Department of Physics and Astronomy Seminar
  Jared Wahlstrand, University of Maryland
  Monday, September 22, 2014
  2:00 pm in 215 Sharp Lab
  "Atomic, Molecular, and Optical Physics Seminar"
- ELEG Seminar
  Aydogan Ozcan, University of California, Los Angeles
  Wednesday, September 24, 2014
  3:30 pm in Mitchell Hall
  "Democratization of Next-Generation Imaging, Diagnostics and Measurement Tools through Computational Photonics"

Jobs/Recruiting:

- Yale University
  Position: Assistant/Associate Professor
  Location: New Haven, Connecticut 06520
  Description: The Department of Chemical & Environmental Engineering at Yale University invites applications for a
tenure-track faculty position at the Assistant Professor or Associate Professor (untenured) level. Outstanding individuals holding (or soon to hold) a PhD in Chemical Engineering or a closely related discipline will be considered. Applications from all areas of Chemical Engineering are welcome, particularly those focused on Soft Matter, including (but not limited) to soft matter theory and simulation, polymer chemistry, and colloid and interface science. Applications submitted prior to December 1, 2014 will receive full consideration.

- **Florida Institute of Technology**
  - **Position:** Assistant Professor
  - **Start Date:** August 3, 2015
  - **Application cut-off:** November 15, 2014 (or until position is filled)
  - **Apply:** submit by email to CHE_Faculty_Search@fit.edu.
  - **Contact:** For questions, Prof. Jim Brenner, Search Committee Chair.
  - **Include:** Cover letter with a statement of the candidate’s research plan and teaching philosophy; a current curriculum vitae outlining research and teaching experience and accomplishments; copies of up to three relevant publications; an itemized list of estimated start-up costs specifically listing any required equipment; and names and contact information of three professional references.

**Jobs/Recruiting:**

Available positions can be found on the Chemical & Biomolecular Engineering opportunity website (http://www.che.udel.edu/biz/OppIndex.html), so be sure to check it regularly.
