Announcements:

- **Facilities Notice:**
  U/D Operations and Maintenance plans fall preventative maintenance on our three air handlers and all exhaust fans in the penthouse and roof of Colburn. O & M requests two Saturdays for this work: Saturday, October 18th and a rain date of Saturday, October 25th. Please advise if you have any exceptions for a 10 hour shutdown from 7 AM until 5 PM on either of these days. Your help is requested to curtail laboratory operations and to stay out of Colburn Lab while our ventilation system is shut down.
