Assistant Professor of Chemical and Biomolecular Engineering

The Department of Chemical and Biomolecular Engineering at Lafayette College in Easton, Pennsylvania, is pleased to announce a tenure-track position at the Assistant Professor level with appointment to begin July 2016. We seek the best available candidate with preference to those with expertise in advanced materials, energy, environmental engineering, or additive manufacturing. A strong background in teaching and mentoring, with interests in laboratory-based teaching, multidisciplinary collaboration, and experiential education, is a plus.

The ChBE Department has approximately one hundred twenty students across all classes and outstanding resources for faculty research and professional development. Lafayette College is a small, private, undergraduate-only institution emphasizing superior education in engineering and the liberal arts. The College is located in eastern Pennsylvania, 70 miles from both New York City and Philadelphia.

Applicants should have a Ph.D. in chemical engineering or a closely related field.

A cover letter, statement of teaching interests, research plans, a curriculum vitae, and list of three references should be addressed to: Search Committee, Dept. of Chemical and Biomolecular Engineering. Email applications and questions to: chbe@lafayette.edu. Review of applications will begin November 1.

Lafayette College is committed to creating a diverse community, one that is inclusive and responsive, and is supportive of each and all of its faculty, students, and staff. Please address how your scholarship, teaching, mentoring, and/or community service might support Lafayette College's commitment to diversity and inclusion articulated in the College's diversity statement (http://www.lafayette.edu/about/diversity-statement/). All members of the College community share a responsibility for creating, maintaining, and developing a learning environment in which difference is valued, equity is sought, and inclusiveness is practiced. Lafayette College is an equal opportunity employer and encourages applications from women and minorities.
