The Department of Chemical and Environmental Engineering at the University of California, Riverside invites applications for part-time or full-time Lecturer position(s) for the Fall 2015, Winter 2016 and Spring 2016 academic quarters. The Chemical and Environmental Engineering Department has occasional need for a full-time or part-time Lecturer in the following broad areas:

- Advanced Materials and Nanotechnology
- Air Quality Systems
- Biotechnology & Bioremediation
- Computation and Molecular Modeling
- Energy Conversion and Storage
- Water Quality Systems

Candidates interested in either the part-time or full-time position as a lecturer should have at least a master's degree, with a Ph.D. degree preferred. Also, substantial teaching experience and/or industrial experience in Chemical and Environmental Engineering are preferred.

Salary for this position will be competitive and commensurate with appointment title and qualifications. Applications will be accepted on an ongoing basis and will be reviewed as positions become available.

Interested individuals should send a cover letter, curriculum vitae, at least three references and teaching evaluations or other evidence of teaching (if available) to the online AP recruit website at https://aprecruit.ucr.edu

Applicants interested should apply by the deadline below per the quarter they are interested in teaching at https://aprecruit.ucr.edu

- For Fall 2015 - August 30, 2015
- For Winter 2016 - September 30, 2015
- For Spring 2016 - January 29, 2016

Additional inquiries or specific questions can be sent to Harvey Blanch, Search Committee Chair and Professor, Chemical & Environmental Engineering, email: hwblanch@engr.ucr.edu

UCR is a world-class research university with an exceptionally diverse undergraduate student body. Its mission is explicitly linked to providing routes to educational success for underrepresented and first-generation college students. A commitment to this mission is a preferred qualification.

For advancement information for Lecturers, please refer to the Contract for the Lecturer Unit (IX) between the University of California and the American Federation of Teachers: http://ucnet.universityofcalifornia.edu/labor/bargaining-units/ix/contract.html.
