Jobs/Recruiting:
- The Department of Chemical Engineering at the Rose-Hulman Institute of Technology is seeking applicants for a faculty appointment at the Visiting Assistant Professor level for the 2015-2016 academic year. The department seeks candidates with a promise of excellence in teaching and an interest in the individual student. A Ph.D. in Chemical Engineering or a related field is required. Applicants should submit (1) a cover letter, (2) a curriculum vitae, (3) a statement of teaching philosophy and teaching interests, and (4) contact information for at least three references at: https://jobs.rose-hulman.edu. For additional inquiries, please contact Dr. Adam Nolte at nolte@rose-hulman.edu. Information about Rose-Hulman can be found at http://www.rose-hulman.edu. Review of applications will begin on April 13 and continue until the position is filled.
Available positions can be found on the Chemical & Biomolecular Engineering opportunity website (http://www.che.udel.edu/biz/OppIndex.html), so be sure to check it regularly.
