  is cohosting with Office of Equity and Inclusion (OEI) and PRISM (LGBTQ Ad Hoc committee) a workshop on ABC's of LGBT. The workshop will answer questions about challenges faced by the LGBT community. For those who are unfamiliar, learning about the community can be a very daunting task. To be supportive and understanding, self-education is critical. This workshop will provide the first building blocks of awareness which include terminology, differences between sex and gender, UD resources and heteronormativity. Refreshments will be provided during the panel. All student, postdocs and faculty are welcome! Please RSVP to your WIE Representative, Bahar Ipek (bhripek@udel.edu) or Molly Koehle (makoehle@udel.edu).
