  3:00 PM in 366 CLB
  "How Stress during Glass Formation affects Physical Aging"

Facilities:
- Please prepare for a scheduled network outage from 6:20 to 7 am on Thursday morning, June 4 that will affect Spencer, Colburn, CCM, and Graham Hall. This is part of a larger initiative to move the whole college (and University) behind the firewalls. Please let COE-IT know if this network outage will have a negative impact to your research or other activities.

Jobs/Recruiting
Available positions can be found on the Chemical & Biomolecular Engineering opportunity website (http://www.che.udel.edu/biz/OppIndex.html), so be sure to check it regularly.
